The City of Riverside Public Utilities Department

Career Opportunities

Be a part of supplying the electric and water needs of a rapidly growing community by considering a career with Riverside Public Utilities (RPU). With over 470 employees, we're comprised of four divisions: Water, Energy Delivery, Finance/Customer Relations and Resources.

RPU offers a wide array of career choices from entry level to professional. Depending on your area of interest, there are a number of career paths available to you. For example, start out as an Engineering Aide, and your career path could include advancement up to a Senior Engineer at a higher salary. We have many careers to choose from, and offer challenging and fulfilling opportunities.

Benefits

Employees of the City of Riverside are eligible to receive a comprehensive benefit package consisting of Medical and Dental prepaid plans. Additional benefits can include:

- Educational Reimbursement Plan
- Training Opportunities
- Sick Leave
- Vacation Time
- Two Deferred Compensation Plans
- A Flexible Spending Plan For Out-Of-Pocket Expenses
- Life Insurance
- Long Term Disability Insurance
- Vision Coverage
- Dependent Care Options

The Position

Under general direction this position will plan, coordinate, direct, supervise and review the maintenance activities of the Water Production and Operations section. In addition, this position will develop an asset management program for major water facilities; coordinate activities as assigned with other divisions, outside agencies and the general public and provide highly responsible and complex technical assistance to the Water Systems Operation Manager.

This position receives general direction from the Water Systems Operations Manager and exercises direct supervision over maintenance and administrative staff as assigned.

A sampling of duties for the Water Maintenance Engineer includes: to develop and direct an asset management program for major water facilities and equipment, most

- 11 Paid Holidays
- Public Employees Retirement System
2.7% @ 55-Years-Old

What some of our employees have to say...

"If you want a challenging and a rewarding career in the utility industry with many opportunities for advancement, Riverside Public Utilities offers it all. We're located in the City of Riverside, California one of the fastest growing cities in the nation, an area that's a toasty 69 degrees Fahrenheit in the winter!"

Cesar Ancheta

Interim Principal Engineer

"As a 20-year employee of the City of Riverside Public Utilities, I have seen the utilities grow to meet the continuous demands of the community. I have also been fortunate enough to take advantage of the city's educational program and have been given many opportunities to advance in my career. The City of Riverside Public Utilities is a wonderful place to work."

Rita Nicks

Customer Service Supervisor

"I've been working for RPU for over 15 years and it's been a great opportunity. The job is very satisfying and it's a good place to work. These are great people to work for and great people to work with."

Lee Sheppard

Power line Technician
